## **St John's Crisis Centre Services:**

**St John's Crisis Centre provides services for the community that recognise the dignity of all individuals. We offer a range of essential services to support individuals and families in urgent need, including:**

- Emergency Relief: Providing food AND clothing assistance to those facing immediate crisis.**
- Community Meals: Nutritious meals served regularly to ensure no one goes hungry.**
- Support Programs: Workshops and activities aimed at building skills and fostering community connections.**
- Advocacy and Referrals: Assistance in accessing government services and other community resources.**
